She is multilingual and received a Master degree in Community Development from the University of Victoria, has a law degree, a financial background and certification as a Project Manager Professional.

The Company also announces that it has received the resignation of Mr. Greg Agar from the Board of Directors. The Company would like to thank Mr. Agar for his valuable service and wish him well in his future endeavours.

About Westminster Resources Ltd.

Westminster Resources is a Latin American focused mining exploration company. The Company has recently acquired a 100% interest in a package of highly prospective copper properties in southern Peru. These properties total over 36,000 hectares within the country's prolific coastal copper belt—source of nearly half of Peru's copper production. Prior work has identified both porphyry and IOCG style mineralization. The Company also holds a 100% interest in the 18,000-hectare El Cobre property in Sonora, Mexico, prospective for world-class epithermal and copper-gold porphyry systems.

ON BEHALF OF THE BOARD OF DIRECTORS
