Tamino has been invited by Mexican Investors to list in -SIC- of the Mexican Stock Exchange

MONTREAL, Oct. 23, 2019 (GLOBE NEWSWIRE) -- Tamino Minerals ("Tamino" or the "Company") (OTC Markets: TINO), Mr. Pedro Villagran-Garcia, President & CEO, is pleased to confirm as mentioned before that it has a Property of Merit, or exploration target. And as mentioned before, Tamino has prepared a Geological Report on its El Volcan Property. We have a summary of this report on our website. Furthermore, the company will also be ready with it's NI 43-101 Report soon once we present a Registration Statement to the SEC and the company becomes fully reporting. Meaning it has great potential for economical mineable amounts of precious metals such as gold and silver and certified by top geologists.

Tamino Minerals (TINO) may have a solution to advance their exploration project. The company is working on the process of being added to the Mexican Stock Exchange. Big things are afloat, and the company is seeking the support of major shareholders.

Tamino has sought out a potential solution to combat its shortage of investment capital and move forward with its various activities in Mexico, including its mining project in the rich and prolific gold mining area of Sonora, Mexico. The company has had the encouraging opportunity recently to list on the Mexican Stock Exchange. If they can achieve a listing on the International Quotation System, it will open Tamino up for two things. One, a better resolve in communications with the Mexican government, and two, an ability to receive investment capital that would reflect in their native market in the OTC. Being on this countries exchange has the potential to bring much more awareness and exposure to the company and its activities especially through new buying and investment opportunities and through international news.

The Mexican Stock Exchange -BMV- is the countries only full-service securities exchange and Latin America's second largest stock exchange, other than Brazil. There are approximately 148 companies in total on the exchange and approximately 227 companies listed in this quotation service which represent 20 Countries, 182 are stock of renowned names such as Coca-Cola, Starbucks, Walmart, Google, Nestle, Yahoo, American Express, Deutsche Bank, among others. 45 of the listed are ETF's or iShares, bundles of stock that are bought and sold in Mexico as a single entity with the objective being mimic the movement of an index, industry or commodity, debt instrument or a specified market.

The Mexican Stock Exchange has an aggregate market capitalization of approximately \$398.68 billion this year and its ranked 26th Worldwide. The Market Capitalization over Mexico's GDP is 30.4%

Mexico is ranked number 14th. In the world in world's GDP with \$1.33 Trillion USD and its ranked number 11th in world Population with 112.47 Million human beings.
