

# Riverside Resources Inc. Completes Spin-Out of Shares of Capitan Mining Inc.

Vancouver, British Columbia--(Newsfile Corp. - August 14, 2020) - **Riverside Resources Inc.** (TSXV: RRI) (OTCQB: RVSDF) (FSE: R99) ("**Riverside**" or the "**Company**") is pleased to announce that it has completed the plan of arrangement (the "Arrangement") which was previously discussed in press releases dated February 25, 2020, April 1, 2020 and April 6, 2020, with the arrangement to spin out the shares of Capitan Mining Inc. ("**Capitan**") to the shareholders of Riverside, effective Friday August 14<sup>th</sup>, 2020. Capitan and its shareholders will now hold 100% interest of the gold-silver resource at the Peñoles Project. Pursuant to the arrangement, holders of common shares of Riverside on August 13, 2020 will receive one new common share of Riverside (each, a "**Riverside Share**") and 0.2594 of a Capitan share (each, a "**Capitan Share**") for each common share held. The existing common shares of Riverside were delisted from the TSX Venture Exchange (the "**TSXV**") on August 13, 2020. Riverside Shares commenced trading on the TSXV at the market opening on August 14, 2020. The CUSIP numbers for the new Riverside Shares and the Capitan Shares are **76927D101** and **140703109**, respectively.

**Riverside's President & CEO, John-Mark Staude stated,** "*We are delighted to work closely together with Alberto Orozco and the highly experienced Mexico-based technical team on the Peñoles Mining District and the launching of this new spin-out company, Capitan Mining. Riverside drilled some of the first discovery holes and are very excited for Alberto and the Capitan team to move it forward. This is a great step for our collective stakeholders to share in the asset value of future exploration and advancement at the Peñoles Project.*"

Capitan has received conditional approval to list the Capitan Shares on the TSXV. Final listing approval will be subject to Capitan satisfying all of the listing conditions of the TSXV, including completion of a financing of at least \$2,000,000. Capitan has received subscriptions for and intends to complete a non-brokered private placement (the "**Private Placement**") for approximately 17,500,000 Capitan Shares at a purchase price of \$0.20 per Capitan Share for gross proceeds of approximately \$3,500,000. Capitan intends to complete the Private Placement on approximately August 21, 2020. Capitan will announce by way of a further press release the date on which trading of the Capitan Shares will commence, which is expected to be before the end of August, 2020. The trading symbol for the Capitan Shares will be "CAPT". Further details regarding Capitan are contained in Capitan's TSX-V Form 2B Listing Application, which is available under Capitan's profile on SEDAR at [www.sedar.com](http://www.sedar.com).

**Capitan's CEO, Alberto Orozco Stated,** "*I am very excited to finally see Capitan at the point where we can start to work and create value for our shareholders. We have a fantastic technical team that has worked together for over sixteen years on similar assets to the Peñoles Project in Mexico, some of which are currently in production. We see tremendous upside at Peñoles and look forward to expanding the current resource and defining a quality project.*"

The scientific and technical data contained in this news release pertaining to the Peñoles Project was reviewed and/or prepared under the supervision of Freeman Smith, P.Geo., a non-independent qualified person to Riverside Resources Inc. who is responsible for ensuring that the geologic information provided in this news release is accurate and who acts as a "qualified person" under National Instrument 43-101 Standards of Disclosure for Mineral Projects.

## **About Riverside Resources Inc.:**

Riverside is a well-funded exploration company with over \$3M in cash reserves, no debt and is driven by value generation and mineral discovery. The Company has less than 65M shares outstanding with a strong portfolio of gold, silver and copper assets in North America. Riverside has extensive experience and knowledge operating in Mexico and Canada and leverages its large database to generate a portfolio of prospective mineral properties. In addition to Riverside's own exploration spending, the Company also strives to diversify risk by securing joint-venture, strategic exploration alliances and spin-out partnerships to advance multiple assets simultaneously and create chances for catalysts of discovery. Riverside has additional properties available for option, with more information available on the Company's website at [www.rivres.com](http://www.rivres.com).

## **About Capitan Mining Inc.:**

Capitan is an exploration company focused on the 100% owned gold and silver Peñoles project in Durango, Mexico. The project has an initial 43-101 compliant inferred resource that includes 305,000 ounces of gold at the El Capitan zone grading 0.46 g/t Au and 15.2 million ounces of silver at the Jesus Maria zone grading 62.3 g/t Ag with both

zones open along strike and at depth. In addition, the Peñoles project holds 2,289.64 hectares of mining concessions with several high quality exploration prospects: San Rafael, Pinchazo and Capitan 2 targets. The Company plans to perform step-out drilling in the El Capitan and Jesus Maria zone to test the extents of mineralization in these two zones as well as to evaluate the additional targets in the area.
