

Fundamental Research Issues Research Report on Mammoth Resources – \$0.27/Share Recommendation

Toronto, Canada (November 25, 2020) – Mammoth Resources Corp. (TSX-V: MTH), (the “Company”, or “Mammoth”) is pleased to announce that Fundamental Research has issue a research report on Mammoth that can be accessed for your review at the following link: <https://www.researchfrc.com/wp-content/uploads/2020/11/MTH-Nov-2020-Update.pdf>.

It should be noted that FRC is a paid research firm, however the firm’s research and recommendations are its own and without the influence of Mammoth.

Mammoth encourages you to have a look at this report and judge for yourself its integrity and the recommendations therein.

About Mammoth Resources:

Mammoth Resources (TSX-V: MTH) is a precious metal mineral exploration Company focused on acquiring and defining precious metal resources in Mexico and other attractive mining friendly jurisdictions in the Americas. The Company holds a 100% interest (subject to a 2% net smelter royalty purchasable anytime within two years from commencement of commercial production for US\$1.5 million) in the 5,333hectare Tenoriba gold property located in the Sierra Madre Precious Metal Belt in southwestern Chihuahua State, Mexico. Mammoth is seeking other opportunities to option exploration projects in the Americas on properties it deems to host above average potential for economic concentrations of precious metals mineralization.
