DENVER--([BUSINESS WIRE](#))--Gatos Silver, Inc. (NYSE/TSX: GATO) (“Gatos Silver” or the “Company”) today announced that the Company will hold its 2021 Annual Meeting of Stockholders (the “Annual Meeting”) in a virtual format on Wednesday, May 26, 2021 at 10:00 a.m. Mountain Time. Online access to the meeting will begin at 9:45 a.m. Mountain Time.

Only stockholders of record and beneficial owners of shares of Gatos Silver common stock as of the close of business on April 1, 2021, the record date, may attend and participate in the Annual Meeting, including voting and asking questions during the virtual meeting. You cannot attend the Annual Meeting physically.

In order to virtually attend the Annual Meeting, you must register at register.proxypush.com/GATO. Upon completing your registration, you will receive further instructions via email, including a unique link that will allow you to access the Annual Meeting, to vote and to submit questions during the meeting. As part of the registration process, you must enter the control number located on your proxy card, voting instruction form, or Notice of Internet Availability. If you are a beneficial owner of shares registered in the name of a broker, bank or other nominee, as part of the registration process, you will also need to provide the registered name on your account and the name of your broker, bank or other nominee.

We urge all stockholders to vote in advance of the Annual Meeting by using one of the methods described in the proxy materials for the Annual Meeting to ensure that your shares are represented.

About Gatos Silver

Gatos Silver is a silver dominant exploration, development and production company that discovered a new silver and zinc-rich mineral district in southern Chihuahua State, Mexico. To-date, 14 zones of mineralization have been defined within the district and all are characterized by silver-zinc-lead epithermal mineralization. More than 85% of the approximately 103,087-hectare mineral rights package has yet to be drilled, representing a highly prospective and underexplored district. The Company recently built and commissioned its first operating mine and mineral processing plant at the Cerro Los Gatos deposit.
