The Company is fully funded for 2021-2022 exploration

VANCOUVER, BC – November 15, 2021 – Silver Dollar Resources Inc. (CSE: SLV) (OTCQB: SLVDF) (“Silver Dollar” or the “Company”) is pleased to announce that diamond drilling has commenced at the La Joya silver project located in the state of Durango, Mexico.

The initial 3,000 metre drilling program will focus on target development on the Noria portion of the La Joya property with an emphasis on testing for possible structural extensions of known mineralized zones identified in historical drilling. Results from this initial drilling program are expected to provide valuable information regarding two possible high-grade concepts and will assist in guiding future phases of drilling.
