DUBLIN, Aug. 3, 2023 /PRNewswire/ -- The "4th Annual Mining Investment Latin America" conference has been added to **ResearchAndMarkets.com's** offering.

Now in its' 4th year, Mining Investment Latin America is firmly established as boutique strategic mining investment & capital raising conference and exhibition.

Besides that, we also incorporate the latest technological innovations that transform the industry & we add critical minerals and hydrogen that play a crucial role in the global energy market's transition to a low-carbon economy.

We expect 200 senior level executives, including over 100 investors and 25 mining companies ranging from explorers, juniors to mid-tier producers and majors for two days of partnering, networking and business matching.

Join us at an invaluable platform to get access to agenda covering latest industry issues, exhibition floor as well as 1-2-1 meeting matching tool for new partnerships & business opportunities.

MINERS MEET INVESTORS

Our investors come from private equity, asset & investment management companies, sovereign wealth funds, hedge funds, venture capital, family offices or are HNWI's and private investors.

They travel from all over North & Latin Americas, Asia, Australia and Europe to look out for latest mining projects and investment opportunities.

KEY THEMES

- Mining Investment Strategies & Trends
- Gold & Precious Metals Developments
- Hydrogen Market Trends & Investment Opportunities
- Junior Miners, New Exploration Projects & Discoveries
