Vancouver, British Columbia--(Newsfile Corp. - February 29, 2024) - Visit **Southern Silver Exploration** (TSXV: SSV) (OTCQX: SSVFF) at Booth #2451 at the Prospectors & Developers Association of Canada's (PDAC) Convention at the Metro Toronto Convention Centre (MTCC) from Sunday, March 3 to Wednesday, March 6, 2024.

## **About Southern Silver Exploration**

Southern Silver Exploration Corp. is an exploration and development company with a focus on the discovery of world-class mineral deposits either directly or through joint-venture relationships in mineral properties in major jurisdictions. Our specific emphasis is the 100% owned Cerro Las Minitas silver-lead-zinc project located in the heart of Mexico's Faja de Plata, which hosts multiple world-class mineral deposits such as Penasquito, Los Gatos, San Martin, Naica and Pitarrilla. We have assembled a team of highly experienced technical, operational and transactional professionals to support our exploration efforts in developing the Cerro Las Minitas project into a premier, high-grade, silver-lead-zinc mine. Our property portfolio also includes two projects in southern New Mexico: the Oro porphyry/CRD copper-gold project; and the Hermanas gold-silver vein project, where an application has been submitted for a drilling program.
