SILVER STORM ANNOUNCES UPSIZE OF PRIVATE PLACEMENT OFFERING FOR UP TO \$6.1 MILLION INCLUDING INVESTMENT BY ERIC SPROTT

Toronto, Ontario, April 9, 2024: Silver Storm Mining Ltd. ("**Silver Storm**" or the "**Company**") (TSX.V: SVRS | FSE: SVR), is pleased to announce that it is further increasing the size of its previously announced non-brokered private placement offering (the "**Offering**") of units of the Company (each, a "**Unit**") for gross proceeds of up to \$6,100,000.06 at a price of \$0.11 per Unit. The Offering is expected to include a \$3.0 million investment from current significant shareholder Eric Sprott. See previous news releases dated March 13, 2024, April 2, 2024 and April 5, 2024 for further details of the Offering. The First Tranche of the Offering closed on April 2, 2024 for aggregate gross proceeds of \$1.47 million.

Each Unit will consist of one common share of the Company (a "**Common Share**") and one half of one common share purchase warrant (each whole warrant, a "**Warrant**"). Each Warrant shall be exercisable to acquire one (1) additional Common Share at an exercise price of C\$0.16 for a period of 24 months from the date of issuance (the "**Expiry Date**").

In connection with the Offering, the Company may pay certain eligible arm's length parties who introduce subscribers to the Offering (each, a "**Finder**"): up to 7% cash fees, and (2) up to 7% finders' warrants ("**Finders' Warrants**"). Each Finder's Warrant entitles the holder to purchase one Common Share at a price of \$0.11 for a period of 24 months.

Eric Sprott through 2176423 Ontario Ltd., a corporation which is beneficially owned by him, has committed to subscribe for 27,272,727 Units in the Offering for an aggregate purchase price of \$2,999,999.97. The participation by Mr. Sprott will be considered a related party transaction within the meaning of Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("**MI 61-101**"). The Private Placement will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of the securities issued to related parties nor the consideration for such securities will exceed 25% of the Company's market capitalization.

The Offering is scheduled to close on or about April 10, 2024, and is subject to all regulatory approvals, including the approvals of the TSX Venture Exchange. The Units are being offered by way of private placement pursuant to exemptions from prospectus requirements under applicable securities laws. The securities issued and issuable pursuant to the Offering will be subject to a four month and one day hold period from the date of issuance. The Warrants and Finders' Warrants will not be listed for trading. The Company intends to use the net proceeds of the Offering to advance drilling at La Parrilla, to perform technical studies for a potential restart in 2025, and to fund ongoing operations.

The securities offered have not been registered under the U.S. Securities Act of 1933, as amended, or applicable state securities laws, and may not be offered or sold to persons in the United States absent registration or an exemption from such registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

About Silver Storm Mining Ltd.

Cautionary Note Regarding Forward Looking Statements:

Certain statements in this news release are forward-looking and involve a number of risks and uncertainties. Such forward-looking statements are within the meaning of the phrase 'forward-looking information' in the Canadian Securities Administrators' National Instrument 51-102 – Continuous Disclosure Obligations. Forward-looking statements are not comprised of historical facts. Forward-looking statements include estimates and statements that describe the Company's future plans, objectives or goals, including words to the effect that the Company or management and Qualified Persons (in the case of technical and scientific information) expects a stated condition or result to occur. Forward-looking statements may be identified by such terms as "believes", "anticipates", "expects", "estimates", "may", "could", "would", "will", or "plan". Since forward-looking statements are based on assumptions and address future events and conditions, by their very nature they involve inherent risks and uncertainties. Although these statements are based on information currently available to the Company, the Company provides no assurance that actual results will meet management's expectations. Risks, uncertainties and other factors involved with forward-looking information could cause actual events, results, performance, prospects and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward-looking information in this news release includes, but is not limited to, the Company completing the Offering as planned, the intended use of proceeds of the Offering, the closing conditions of the Offering, receipt of TSXV approval of the Offering, the future exploration performance at La Parrilla, the timing and extent of current and future drill programs, and the ability to eventually place the La Parrilla Complex back into production.

In making the forward-looking statements included in this news release, the Company have applied several material assumptions, including that the Offering will close on the anticipated terms or at all; that the Units will have the anticipated terms; that the Company will use the net proceeds of the Offering as anticipated; that the Company will receive all necessary approvals in respect of the Offering, the Company's financial condition and development plans do not change because of unforeseen events, and management's ability to execute its business strategy and no unexpected or adverse regulatory changes with respect to La Parrilla. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of the Company to control or predict, that may cause the Company's actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein.

Such forward-looking information represents managements and Qualified Persons (in the case of technical and scientific information) best judgment based on information currently available. No

forward-looking statement can be guaranteed, and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information.
