## Aztec Grants Stock Options

**News Release - Vancouver, Canada – September 27, 2024 - Aztec Minerals Corp. (AZT: TSX-V, OTCQB: AZZTF)** (“Aztec” or the “Company”) announces it has granted an aggregate of 1.575 million stock options to directors, management, and consultants of the company as an incentive to create shareholder value, pursuant to the terms of the company's stock option plan. The stock options are exercisable to acquire common shares at an exercise price of \$0.20 per common share for a term of five years, subject to certain vesting provisions.

**About Aztec Minerals** – Aztec is a mineral exploration company focused on two emerging discoveries in North America. The Cervantes project is an emerging porphyry gold-copper discovery in Sonora, Mexico. The Tombstone project is an emerging gold-silver discovery with high grade CRD silver-lead-zinc potential in southern Arizona. Aztec’s shares trade on the TSX-V stock exchange (symbol AZT) and on the OTCQB (symbol AZZTF).

### Forward-Looking Statements

This news release contains “forward-looking information or statements” within the meaning of applicable securities laws, which may include, without limitation, the grant of stock options and vesting provisions, other statements relating to the technical, financial and business prospects of the Company and other matters. All statements in this news release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the price of metals, the ability to achieve its goals, the ability to secure equipment and personnel, that general business and economic conditions will not change in a material adverse manner and that financing will be available if and when needed and on reasonable terms. Such forward-looking information reflects the Company’s views with respect to future events and is subject to risks, uncertainties and assumptions, including those filed under the Company’s profile on SEDAR+ at [sedarplus.ca](http://sedarplus.ca). Factors that could cause actual results to differ materially from those in forward looking statements include, but are not limited to, continued availability of capital and financing and general economic, market or business conditions, adverse weather/climate conditions, equipment failures, access to personnel and equipment, decrease in the price of gold, copper, silver, and other metals, failure to maintain all necessary government permits, approvals and authorizations, failure to maintain community acceptance, increase in costs, litigation, and failure of counterparties to perform their contractual obligations. The Company does not undertake to update forward-looking statements or forward-looking information, except as required by law.
