The Company may sell additional Units in the Offering in one or more subsequent closings, on such dates as the Company may determine. Closing of the Offering is subject to certain conditions including, but not limited to, the receipt of all necessary approvals, including acceptance by the TSXV.

The Company may pay certain eligible finders a cash fee of up to 7% of the gross proceeds raised in respect of the Offering from subscribers introduced by such finders to the Company, including for amounts raised in subsequent closings, if any. The Company may also issue to eligible finders such number of finder warrants (each, a “**Finder Warrant**”) equal to 7% of the number of Units sold under the Offering to subscribers introduced by such finders to the Company.
