Coeur Announces Stock Repurchase Program

Chicago, Illinois – May 27, 2025 – Coeur Mining, Inc. (“Coeur” or the “Company”) (NYSE: CDE) today announced that its Board of Directors has authorized a \$75 million share repurchase program (“the Program”), effective through May 31, 2026.

“We are pleased to announce this share repurchase program intended to enhance per share value for our shareholders,” said Mitchell J. Krebs, Chairman, President and Chief Executive Officer. “This decision reflects confidence in our strong free cash flow profile resulting from higher gold and silver prices, the impact of the newly-acquired Las Chispas mine, continued momentum at the recently expanded Rochester mine, and consistent performance from our other three operations. After several years of heavy investment, the Company is now well-positioned to continue rapidly paying down debt, maintain the pace of reinvestment in high-return organic growth opportunities, while beginning to return capital to our shareholders.”

Repurchases under the Program may be carried out from time to time through opportunistic open-market purchases or by other means in amounts and at prices that Coeur deems appropriate, subject to market and business conditions, applicable legal requirements and other considerations.
