

# Capitan Silver Executes Definitive Agreement to Acquire Strategic Land Package in Durango, Mexico

Vancouver, British Columbia--(Newsfile Corp. - August 22, 2025) - **Capitan Silver Corp. (TSXV: CAPT)** ("Capitan" or the "Company") is pleased to announce that it has executed a definitive agreement to acquire a strategic property package at its Cruz de Plata project, previously announced Letter of Intent (LOI) on June 9, 2025. The newly acquired property consists of seven (7) mineral concessions located immediately adjacent to and surrounding its Cruz de Plata silver project in Durango, Mexico.

## Key Highlights:

- Acquisition of a 100% interest in 7 mineral concessions totaling 2,171.4 hectares, directly adjacent to and surrounding the Cruz de Plata Project
- Increases Capitan Silver's total land position in the district by approximately 85%
- Expands the surface expression of the 2.5 km silver-gold trend by to 3.7 km (additional 1.2 km to the east)
- This transaction allows for the consolidation of the land package while opening up additional ground for potential infrastructure development and optimizing the project design

Capitan is acquiring the properties from Minera Fresnillo S.A. de C.V. ("Fresnillo"). The price of the transaction is **US\$4.0 million**, in two installments: **US\$2.0 million**, that was due and has been paid upon execution of the definitive agreement ("Closing") and **US\$2.0 million** payable on or before the second anniversary of the Closing. There are no royalties or share payments for this transaction.

The agreement will be submitted to the Public Registry of Mines for final approval from the authorities.

Figure 1. Cruz de Plata property map showing the resulting consolidated property following completion of the transactions with Fresnillo. The map also shows the location of the high-grade silver trend, which would extend for an additional 1.2 km to the East into the consolidated property, and the location of the Capital hill disseminated oxide gold deposit.
