#### REGENCY SILVER CORP. ANNOUNCES SECOND UPSIZE OF BROKERED PRIVATE PLACEMENT TO \$3.1M AND PENDING COMPLETION OF 2 FOR 1 SHARE CONSOLIDATION

**Vancouver, BC – August 22, 2025 – Regency Silver Corp.** (“Regency Silver” or the “Company”, TSXV-RSMX and OTCQB-RSMXF) has upsized its previously announced (August 7 and August 18) best efforts brokered private placement led by Centurion One Capital Corp. (the “Lead Agent”) as lead agent and sole bookrunner due to strong investor demand. Under the amended terms, the Company will issue up to 62,000,000 units (“Units”) of the Company at \$0.05 per Unit (the “Issue Price”) for aggregate gross proceeds of up to \$3,100,000 (the “Offering”).

Each Unit shall consist of one common share in the capital of the Company (each, a “Share”) and one-half of one Share purchase warrant (each, whole Share purchase warrant, a “Warrant”). Each full Warrant shall entitle the holder thereof to purchase one additional Share (a “Warrant Share”) at a price of \$0.10 for a period of 24 months from the Closing Date (as defined herein).

The net proceeds of the Offering will be used for drilling on the Company’s Dios Padre Project in Sonora, Mexico and general working capital purposes.

The Offering is expected to close on or around August 27, 2025 or such other date as agreed upon between the Company and the Lead Agent (the “Closing Date”) and is subject to certain conditions, including, but not limited to, the receipt of all necessary approvals, including the approval of the TSX Venture Exchange, and the completion of the Consolidation (as defined below). Assuming completion of the Consolidation, the Issue Price will be \$0.10 per Unit and each full Warrant will be exercisable at a price of \$0.20. The securities to be issued under the Offering will have a hold period of four months and one day from the Closing Date.

The Offering is conditional upon the Company completing a consolidation of its issued and outstanding common shares at a ratio of two (2) pre-consolidation Common Shares to one (1) post-consolidation Common Share (the “Consolidation”). The Consolidation is expected to take effect on or about August 26, 2025.

There are currently 112,083,201 Common Shares issued and outstanding. Subsequent to the Consolidation, the Company will have approximately 56,041,600 Common Shares issued and outstanding, subject to rounding. No fractional shares will be issued as a result of the Consolidation and any fractional shares resulting from the Consolidation will be rounded down to the next whole Common Share. No cash consideration will be paid in respect of fractional shares.

Registered shareholders holding share certificates will be mailed a letter of transmittal advising of the Consolidation and instructing them to surrender the share certificates representing pre-Consolidation shares for replacement certificates or a direct registration advice representing their post-Consolidation shares. Until surrendered for exchange, each share certificate formerly representing pre-Consolidation shares will be deemed to represent the number of whole post-Consolidation shares to which the holder is entitled as a result of the Consolidation.

The new CUSIP and ISIN numbers for the post-Consolidation Common Shares are CUSIP 75889D208/ISIN CA75889D2086. The post-Consolidation shares will continue to trade on the TSXV under the Company's existing name and trading symbol.

The Units to be issued will be offered by way of private placement in each of the provinces and territories of Canada, in the United States pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), and in jurisdictions outside of Canada and the United States mutually agreed by the Company and the Lead Agent provided it is understood that no prospectus filing, registration or comparable obligation arises in such other jurisdiction.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the U.S. Securities Act or any state securities laws and may not be offered or sold within the United States or to U.S. persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
