***NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES***

**Vancouver, BC – December 15, 2025 – Regency Silver Corp.** (“Regency Silver” or the “Company”, TSXV-RSMX and OTCQB-RSMXD) is pleased to announce that it has upsized its previously announced (December 9 and December 11) best efforts brokered private placement led by Centurion One Capital Corp. (the “**Lead Agent**”) as lead agent and sole bookrunner due to strong investor demand. Under the amended terms, the Company will issue 20,000,000 units (“**Units**”) of the Company at \$0.175 per Unit (the “**Issue Price**”) for aggregate gross proceeds of up to \$3,500,000 (the “**Brokered Offering**”). The Company is also pleased to announce a concurrent non-brokered private placement of up to 500,000 Units at the Issue Price for additional gross proceeds of \$87,500 (the “**Non-Brokered Offering**” and together with the Brokered Offering, the “**Offerings**”).

Each Unit shall consist of one common share in the capital of the Company (each, a “**Share**”) and one Share purchase warrant (each, a “**Warrant**”). Each Warrant shall entitle the holder thereof to acquire an additional Share (a “**Warrant Share**”) at a price of \$0.26 for a period of 36 months from the Closing Date (as defined herein).

The Company has granted the Lead Agent an option (the “**Agent’s Option**”) pursuant to which the Lead Agent can increase the size of the Offering by up to an additional 2,805,714 Units at the Issue Price. If the Agent’s Option is exercised in full, an aggregate of 22,805,714 Units would be issued for aggregate gross proceeds of \$3,991,000.

The Units offered for sale under the Brokered Offering will be offered by way of private placement pursuant to the listed issuer financing exemption (the “**Listed Issuer Financing Exemption**”) under section 5A.2 of National Instrument 45-106 – *Prospectus Exemptions*, as amended and supplemented by Coordinated Blanket Order 45-935 – *Exemptions from Certain Conditions of the Listed Issuer Financing Exemption* in British Columbia, Alberta and Ontario. The securities issued under the Listed Issuer Financing Exemption will not be subject to a statutory hold period pursuant to applicable Canadian securities laws.

The Units offered for sale under the Non-Brokered Offering will be offered by way of private placement to purchasers in the United States pursuant to an exemption from the registration requirements of the

United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), and applicable U.S. state securities laws, and pursuant available exemptions from the prospectus requirements under applicable Canadian securities laws other than the Listed Issuer Financing Exemption. The securities issued under the Non-Brokered Offering will be subject to a statutory hold period of 4 months and a day pursuant to applicable Canadian securities laws.

The gross proceeds of the Offerings will be used for drilling on the Company’s Dios Padre Project in Sonora, Mexico and general working capital purposes.

In connection with the Brokered Offering, the Company has filed a second amended and restated offering document dated December 15, 2025 (the “**Amended Offering Document**”), which can be accessed under the Company’s profile at [www.sedarplus.ca](http://www.sedarplus.ca) and on the Company’s website at [www.regency-silver.com](http://www.regency-silver.com). Prospective investors under the Brokered Offering should read the Amended Offering Document before making an investment decision.

In connection with the Offerings, commissions will be payable in accordance with the policies of the TSX Venture Exchange (the “**Exchange**”).

The Offerings are expected to close on or around December 19, 2025, or such other date as agreed upon between the Company and the Lead Agent (the “**Closing Date**”) and are subject to certain conditions, including, but not limited to, the receipt of all necessary approvals including the approval of the Exchange.

It is anticipated that certain related parties of the Company may acquire Units in the Offerings. Any participation by related parties of the Company in the Offerings will constitute a “related party transaction” as defined under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). The Company expects such participation will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 as neither the fair market value of the Units subscribed for by the related parties, nor the consideration for the Units paid by such related parties, is expected to exceed 25% of the Company’s market capitalization.
