

# Coeur Mining to Join S&P MidCap 400 Index

June, 08, 2026

CHICAGO--(BUSINESS WIRE)-- Coeur Mining, Inc. ("Coeur" or the "Company") (NYSE, TSX: CDE) today announced that it will be added to the S&P MidCap 400 Index, effective prior to the open of trading on Monday, June 22, 2026.

Coeur's addition to the S&P MidCap 400 Index reflects the Company's growth and transformation into the sector's only all-North American senior precious metals producer and a leading global silver company following two recent successful acquisitions, and its commitment to portfolio development through investments in exploration and mine expansions.

The S&P MidCap 400 Index serves as a widely followed benchmark for institutional investors and index funds seeking market exposure to mid-sized U.S. companies.
