Talamore Announces Graduation to Toronto Stock Exchange

Vancouver, British Columbia--(Newsfile Corp. - August 10, 2026) - Talamore Mining Corp. (TSXV: TALA) (OTCQB: TALMF) ("**Talamore**" or the "**Company**") is pleased to announce that it will be graduating to the Toronto Stock Exchange (the "**TSX**") effective at market open on August 11, 2026. Following the graduation from the TSX Venture Exchange (the "**TSXV**") to the TSX, the common shares of the Company (the "**Common Shares**") will continue to trade under the current ticker symbol, "TALA".

Tim Warman, CEO, commented, "Graduating to the TSX is an important milestone for Talamore and a reflection of our maturation as a mining company. This listing will provide greater visibility for investors, improved liquidity through potential inclusion in a range of market indices, and increased access to a broader investor base as we continue to advance our flagship Coffee Gold Project."

Following the uplisting to the TSX, the Common Shares will no longer trade through the facilities of the TSXV and will be voluntarily delisted from the TSXV, effective as of the close of market on August 10, 2026. Shareholders are not required to exchange their direct registration system advices, share certificates, or warrant certificates, or to take any other action in connection with the TSX uplisting.

The Company will remain a "reporting issuer" under applicable Canadian securities laws through the listing transition process from the TSXV to the TSX. The Common Shares will continue to be listed on the OTCQB Venture Market under the symbol "TALMF".

About Talamore Mining

Talamore Mining Corp. (formerly Fuerte Metals Corp.) is a Canadian exploration and development company advancing the Coffee Gold Project in Yukon, Canada. Coffee is a 100%-owned, open-pit heap leach gold project in the final stages of permitting and engineering, and the Company is working toward a construction decision. In addition to Coffee, Talamore holds a portfolio of copper and gold assets in Chile and Mexico, providing longer-term growth potential.

Talamore recognizes that protection of the land and water around the Coffee Gold Project is of central importance to the Trondëk Hwëch'in, Selkirk First Nation, White River First Nation, and the First Nation of Na-Cho Nyäk Dun. The Company is focused on building long-term relationships grounded in transparency, respect, and follow-through. From day one, Talamore's approach is simple: do the work properly, be honest about it, and follow through on what we say.

Forward-Looking Information

This news release includes certain "forward-looking information" and "forward-looking statements" under applicable securities legislation. Forward-looking statements include, but are not limited to, statements with respect to the listing of the Common Shares on TSX and the anticipated benefits therefrom; future development plans and the business and operations of the Company. Forward-looking statements are necessarily based upon estimates and assumptions that, while considered *reasonable, are subject to known and unknown risks, uncertainties and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. Such factors include, but are not limited to: fluctuations in general macroeconomic conditions; fluctuations in securities markets; fluctuations in spot and forward prices of gold, silver, base metals or certain other commodities; fluctuations in currency markets; results of exploration; the economics of processing methods; change in national and local government, legislation, taxation, controls, regulations and political or economic developments; risks and hazards associated with the business of mineral exploration, development and mining (including environmental hazards, industrial accidents, unusual or unexpected formations pressures, cave-ins and flooding); inability to obtain adequate insurance to cover risks and hazards; the presence of laws and regulations that may impose restrictions on mining; employee relations; relationships with and claims by local communities and indigenous populations; availability of and increasing costs associated with mining inputs and labour; the speculative nature of mineral exploration and development (including the risks of obtaining necessary licenses, permits and approvals from government authorities); and title to properties.*

There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Neither the TSX Venture Exchange nor its regulation services provider (as that term is defined in the Policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
