SONORO GOLD ANNOUNCES MANAGEMENT APPOINTMENTS

VANCOUVER, Canada, September 2, 2026– Sonoro Gold Corp. (TSXV: SGO | OTCQB: SMOFF | FRA: 23SP) ("Sonoro" or the "Company") is pleased to announce the promotion of Oscar Armando González Peña to Vice President, Exploration, as well as the promotion of Melvin Herdrick to Senior Vice President, Mexico.

For the past nine years, Oscar González has served as Exploration Manager and Chief Geologist at Sonoro Gold, contributing significantly to the delineation of the mineral resource at the Company's flagship Cerro Caliche gold project. His extensive expertise of the region's geology and epithermal systems has been critical to the project's recent concession acquisitions and advancement of the current drilling campaign.

Mr. González has 23 years' experience in mineral exploration including project management, resource evaluation, permitting and community relations. Prior to joining Sonoro Gold, he was involved in the geological exploration and resource development for multiple mineral projects held by Fresnillo plc, Kimber Resources, Yamana Gold Inc, and Premier Gold Mines.

Mel Herdrick has been promoted to Senior Vice President, Mexico after serving as Vice President, Exploration since 2018. Mr. Herdrick has over 50 years' experience as a professional geologist with a strong background in evaluating the technical feasibility of mineral deposits.

Prior to joining Sonoro Gold, Mr. Herdrick served as chief geologist at Phelps Dodge and Vice-President, Geology at Pediment Gold Corp. where he led discovery and exploration programs on multiple gold, silver and copper sites throughout Mexico.

Forward-Looking Statement Cautions:
This press release may contain "forward-looking information" as defined in applicable Canadian securities legislation. All statements other than statements of historical fact, included in this release, including, permitting for and viability of a proposed open-pit, heap leach mining operation at Cerro Caliche, all as part of the future plans and objectives of the Company, constitute forward looking information that involve various risks and uncertainties, including statements regarding project permitting and the Company's intention to develop and operate the proposed Cerro Caliche gold mine. Although the Company believes that such statements are reasonable based on current circumstances, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are statements that are not historical facts; they are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "aims", "potential", "goal", "objective", "prospective" and similar expressions, or that events or conditions "will", "would", "may", "can", "could" or "should" occur, or are those statements, which, by their nature, refer to future events. The Company cautions that forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made and they involve a number of risks and uncertainties, including the possibility of unfavorable exploration and test results, the lack of sufficient future financing to carry out exploration and development plans and unanticipated changes in the legal, regulatory and

permitting requirements for the Company's exploration programs. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law or the policies of the TSX Venture Exchange. Readers are encouraged to review the Company's complete public disclosure record on SEDAR at www.sedar.com.
